This document provides the requirements and design details of the PROJECT. The following table (Table 1) should be updated by authors whenever major changes are made to the architecture design or new components are added. Add updates to the top of the table. Most recent changes to the document should be seen first and the oldest last.

Table 1: Document Update History

Date	**Updates**
08/22/2023	DDM: • Updated dsnManual.tex with *newcommand(s)*{} for easier references of requirements, figures, and other labels.
10/25/2023	DDM: • Added chapters on use cases (Chapter **??**) and user stories (Chapter **??**).
10/11/2023	DDM: • Added chapters on requirements (Chapter **??**) and glossary.
09/18/2023	DDM: • Added chapter on development plan (Chapter **??**).
